

Swachh Bharat Mission

In pursuance of the objectives of the Swachh Bharat Mission launched by the Government of India in 2014, Seethalakshmi Ramaswami College has implemented the cleanliness drive of Swachh Bharat Clean Campus Initiative. In connection with this drive, the faculty and students of Seethalakshmi Ramaswami College regularly conduct mass cleaning campaigns and also actively participate in the various programmes instituted by the Ministry of Human Resource and Development. Effective garbage collection is ensured in the campus by collecting and segregating biodegradable and non-biodegradable waste. The Vermiculture unit in the campus converts the in-campus garden litter into useful organic fertilizer vermicompost which is used as manure in the mulberry garden maintained in the campus for sericulture.

The Students of Seethalakshmi Ramaswami College took up the project of Swachh Bharat Summer Internship Programme (SBSI-2018) from 2nd July to 22nd July 2018 in order to promote cleanliness, better sanitation practices and open defecation free environment in Somarasanpettai, Keelavayalur, Siruvayalur, Veeranginallur and Vadagaputhur village .
