Ganesan Mani, Department of Chemistry, Indian Institute of Technology, Kharagpur, gave a lecture on the 'Pincer metal complexes in catalysis', and elaborated on the pincer ligand and its types, synthesis, crystallization methods, characterization by X-ray and NMR studies, and applications of pincer metal complexes. In the second session, Shanmugaraju Sankarasekaran from IIT, Palakkad, spoke on 'Emergence of supramolecular chemistry,' to highlight the origin and concept of host-guest chemistry, supramolecular self-assembly, coordination-driven self-assembly, formation of supramolecular complexes, and applications of self-assembled metallocycles and metallocages. M.Vasuki, Principal (in-charge) and Head of Department of Chemistry and others spoke.

Emotional Intelligence
Emotional Intelligence was the focus of a webinar organised by the Department of Social Work by Shrimati Indira Gandhi College. S. Arunan, Operations & Commissioning Engineer Bilfinger Tebodin & Partner LLC, Muscat, briefed students about emotional intelligence as the ability to identify, assess and manage one's emotions. He highlighted the influence of emotional intelligence on people's behaviour and elaborated on self awareness and self actualisation. He also gave tips to students on how to manage stress. K. Meena, secretary, K. Chandrasekharan, Chief Executive Officer, and S. Vidhyalakshmi, Principal, Shrimati Indira Gandhi College, spoke.
