IQAC NEWS LETTER

2017-2018

Vol. No.12

**Padma Shri Dr. Mylswamy Annadurai
Director ISAC, Bengaluru at 67th Annual day celebration**

Dr. S. Natarajan, Vice Chancellor, Gandhigram Rural Institute, Deemed to be University, Gandhigram, at the 43rd Annual Graduation Day.

Founder's Birthday Celebration

Founder Padmabhushan Shri N. Ramaswami Ayyar's 121st birthday celebration was held on 25.11.2017. **Mr. R.A. Krishna Kumar**, Executive Director, Dalmia Cements Ltd., Dalmiapuram, Tiruchirappalli, felicitated the Founder and distributed the prizes and scholarships to the students selected from various educational institutions in Trichy.

Managing Trustee's Birthday Celebration

82nd Birthday Celebration of Sri R. Panchapakesan, Secretary and Managing Trustee of *Padmabhushan* Sri N. Ramaswami Ayyar Educational Complex was celebrated on 19.08.2017. More than 52 meritorious and economically poor students were given scholarships amounting to Rs.56,000. Dr.S.Syamali, Head, Department of Commerce, Seethalakshmi Ramaswami College, Tiruchirappalli, honoured and felicitated our respected secretary.

From the Secretary's desk

With the blessings of the founding father Padmabhushan Sri N. Ramaswami Ayyar, one more academic year has been successfully completed by Seethalakshmi Ramaswami College.

The Academic year 2017-2018 marks the Diamond Jubilee Celebrations of the departments of Chemistry and Economics and the Golden Jubilee Celebrations of the department of English. It is incredible that in the academic year many student centered activities were launched. As usual the college has produced 100 percent pass percentage in most of the subjects. Four of the faculties have acquired Ph.D. degree apart from 9 students in the departments of Chemistry, Commerce and Mathematics.

Faculty members have continued to work with great zest which is evidenced by the awards they have received, papers and books they have published and their academic trips abroad. The campus was visited by International Dignitaries as well.

I am happy to note that the career counselling and placement cells have helped 269 students to get recruited in companies, schools and banks. 23 students have got university ranks in the special examination conducted by the Bharathidasan University. The many accolades won by the students in N.C.C. is really commendable. In sports the students' performance is really appreciable. The Swachhata Hi Seva Award & Swachhata Survekshan Award presented to the college by the commissioner of Tiruchirappalli City Corporation is a motivation towards a clean campus and a clean city.

Glory to Goddess Akilandeswari who stays by our side to lead us from success to success.

R. Panchapakesan
Managing Trustee & Secretary

From the Principal's Desk

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge, knowledge makes you great” said Dr. A.P.J. Abdul Kalam.

Education is the most powerful weapon which can transform the world by catering especially to the needs of the younger generation in whose hands the future of our nation lies. With the futuristic thinking of our founder, based on which, the college has been consistently making progress and excel in academic, curricular, co-curricular and extracurricular activities for the holistic development of the students. Mrs. Nirmala Sitharaman, the Defence Minister of India and an alumnae of our college is a living legend, who has fulfilled the dream of our revered founder.

The Educational complex established by our revered Founder Padmabhushan Sri. N. Ramaswami Ayyar stands as an epitome and embodiment of excellence by offering life skills training and has been making an indelible mark in its history.

The PG & Research Department of Chemistry and Economics celebrated their Diamond Jubilee and honoured the pillars and alumnae of the departments for their commendable accomplishments and services. As a part of the Golden Jubilee celebration, one day National Seminar was conducted by the PG and Research Department of English in February 2018. A grand Alumnae Meet was arranged on December 9th and old students from all parts of the country attended the meet, fondly recollected and shared their memories on the joyous occasion.

The scintillating moment of winning many trophies in competitions stands as an evidence to show the unique amalgamation of achievements of our students in various intercollegiate competitions and the awards won by the faculty make us feel tall and proud.

As a part of teacher development, knowledge enrichment and research-oriented activities, our faculty members have published 117 papers in reputed peer reviewed International Journals and presented papers in National and International Seminars and added many more feathers to the success of the college. I acknowledge their initiative and drive which enabled them to expose themselves in international forums.

My heartfelt appreciation goes to Dr. M. Nalini, Department of History who received ‘Tlakkia Peedam Sivasankari’ Award and the Best Epigraphist Award. Dr. C. Lalithambal, Department of Music received ‘Bharathi Tamil Selvar’ award sponsored by Kolkata Tamil Mandram and Tamil Ayya Kalvikazhagam and Ms. M. Karthika, Department of Physics received ‘Young Researcher Forum’ Award for the best Paper Presentation, from Illinios University, Chicago, USA.

I congratulate the teachers and students who have undertaken the social outreach programmes and motivated the children in rural areas. They empowered and enriched the home makers by giving them training and sharing their expertise with them. Special Attention Programme was conducted for parents of physically challenged children. In connection with Clean India Campaign, many activities were carried out in the campus. Swachh Survekshan 2018 Award & Swatchhata Hi Seva 2017 and Survekshan 2018 Awards are presented to our esteemed institution in recognition of its service.

I am indeed happy to convey my thanks through this Newsletter to our ever caring and supportive management, competent faculty and vibrant students who work together with great potential to bring laurels to this temple of learning.

We are greatly indebted to Goddess Akilandeswari and our revered founder for their choicest blessings showered on us.

Dr. R. Padmavathy
Principal

ANNUAL DAY

67th Annual Day was celebrated on 18.02.2018. *Padma Shri* Dr. Mylswami Annadurai, Director ISAC, Bengaluru, presided over the function, delivered the College Day address and distributed nearly 550 Prizes to the meritorious students. Jayanthi Rani, Advocate & Former Member, Tamil Nadu State Commission for Protection of Child Rights, Tiruchirappalli.

HOME SCIENCE

One Day Seminar on “Emerging Trends in Textiles and Fashion” was organized on 23.01.2018. Mrs. R.Kavitha, Assistant Professor & Head, Department of Textile & Fashion Designing, Department of Costume Design & Fashion, Vivekanandha College for Women, Tiruchengode delivered a lecture on “Technical Textiles”. Mrs.M.Amsaveni, Assistant Professor, Department of Costume Design & Fashion Kongunadu Arts and Science College, Coimbatore delivered a lecture on “Textile Processing”.

MATHEMATICS

PG and Research Department of Mathematics organized UGC sponsored one day seminar on 02.02.2018. Dr.B.Gayathri, Associate Professor, PG & Research Department of Mathematics, Periyar E.V.R. College (Autonomous), Trichy, gave a lecture on the topic “Some Conjecture on Graph Labeling”. Dr.S.Balasubramanian, Assistant Professor, PG & Research Department of Mathematics, Government Arts and Science College (Autonomous), Karur, gave a lecture on the topic “Topology of Semi Open sets”.

NUTRITION & DIETETICS

The Department of Nutrition and Dietetics, conducted the UGC sponsored one day seminar cum National Nutrition Week celebration from 1-7th September 2017. Presidential Address by Dr. S.Kamaraj, Siddha Medical Officer during the National Nutrition Week Celebration – 2017.

TAMIL

தமிழ்த்துறை நடத்திய வரலாற்று ஆவணம் தொடர்பான சிறப்புச் சொற்பொழிவில் ஜெர்மனி தமிழ் மரபு அறக்கட்டளையின் நிறுவனரும், தலைவருமாகிய முனைவர் க.சுபாஷினி அவர்கள், “கல்வெட்டியல் வரலாற்று ஆவணம்” என்னும் தலைப்பில் 26.2.2018 அன்று உரையாற்றினார்.

WORKSHOP/ TRAINING PROGRAMME ORGANISED BY VARIOUS DEPARTMENTS

BIO-TECHNOLOGY

Two Day Hands on Training in Computational Genomics was organized on 04.09.2017 and 05.09.2017. Dr. Ayyavu Mahesh, Ph.D., Director, Centre for Stem Cell and Cancer Genomics, AMI Bio Science, Coimbatore gave the special lecture.

PHYSICS & ELECTRONICS E-Mela

PG and Research Department of Physics and PG Department of Electronics conducted the “E-Mela-2017” on 18th & 19th September for the college and school students. More than 500 students from various colleges and schools participated in the E-mela with great enthusiasm and involvement.

WORKSHOP ON INTERNET OF THINGS

PG and Research Department of Physics and PG Department of Electronics organized a National workshop on “Internet of Things” from 8th to 9th December 2017. Er. Nitin G Acharya, Department of Electronics and telecommunications, Robokart innovation cell, IIT – Bombay delivered his lecture on “Introduction to Robotics, basic constituents of robot, Application of IOT. In the practical sessions the students were given with the kits to perform operations of PC based motor and IOT based on home automation. Around 100 participants from various colleges participated in the workshop.

ONE DAY WORKSHOP ON LAPTOP SERVICING

PG and Research Department of Physics and Department of Electronics organised “ONE DAY WORKSHOP ON LAPTOP SERVICING” on 10.08.2017. Er.S.Parimalaprabu, Chairman, Decibel Institute of Electronics insisted the importance of right usage of laptops and demonstrated the internal parts of the laptop. Laboratory training was provided to nearly 70 Under Graduate and Post Graduate students from various departments.

WORKSHOP ON FITNESS MANAGEMENT

A workshop on fitness management was organised on 12.02.2018 and 13.02.2018 in association with Department of Physical Education and Indian dietetic association, Coimbatore chapter, Coimbatore. India's oldest yoga teacher, Founder of ozone yoga Center Padma Shri. V. Nanammal, IDA Coimbatore Chapter President Dr. S.Uma Mageshwari and Director of Department Dr. K. Chandrasekaran addressed the Inaugural function.

EXHIBITION ON “HERBARIUM AND MUSEUM”

The Department of Botany and the Research Department of Zoology organized exhibition on “Herbarium and Museum” entitled ‘Rare Opportunity to School Children’ on 23rd August 2017 to create awareness about biodiversity.

GO GREEN MOVEMENT

On 7.9.2017, as a part of Go green movement saplings were planted in the college campus with the motto “Plant a tree or ready to wear a mask”.

PAPERS PRESENTED & BOOKS PUBLISHED

PAPERS PRESENTATION

International Level	79
National level	61

PUBLICATION

117 papers were published in reputed journals by the Faculty members.

Dr. M. Nalini has published two books with ISBN, **Varalaaru 27, Pachchil Koyilkal** in collaboration with Dr. M. Rajamanikanar Centre for Historical Research, Tiruchirappalli. Dr. M. Nalini & Dr. T. Sumitha are continuously contributing articles to Varalaaru, the International e-journal, a monthly web magazine for South Asian Studies.

Every year the students of the Department of Tamil publish an In-house Journal entitled **Manava Mani**, exhibiting and documenting their creative talents and also a Sitrithazh name **Pozhil**.

ACADEMIC ACHIEVEMENTS UNIVERSITY RANK - UG & PG AIDED/UNAIDED 2017

S. No.	Name	Department	Rank
Post Graduate			
1	M. Nisha	Chemistry	III
2	V. Prahatha	Computer Science	III
3	S. Reshma	English	II
4	C. Gayathri	History	III

Under Graduate

1	B. Dhanalakshmi	Botany	II
2	K. Srinithi	Bio-Chemistry	I
3	D. Maheswari	Bio-Technology	II
4	V.S. Karthika Banu	Chemistry	II
5	K. Sharthaj	Economics	II
6	R. Janani	Electronics	II

The Perseverance and meticulous endeavors of our diligent students were brought into lime light through the academic achievements of the toppers in various streams. 23 students from various departments have secured University Ranks. Among them students from Bio-chemistry, English, Bio-Technology, Chemistry, Economics, Electronics have secured University I and II ranks.

EXTENSION ACTIVITIES

CHEMISTRY

Demonstration class for the preparation of Phenyl for economically poor women to improve self employment skills.

Demonstration class for washing powder preparation.

Demonstration of few basic chemical reactions to the students of Veeran Kalvikudam Middle School, Tiruchirappalli

ECONOMICS

Department of Economics frequently visited the adopted school namely **Thotta Raja Gopal Chettiyar Charities Middle School**, Rockfort Tiruchirappalli and created awareness on Cleanliness, Health and hygiene through Powerpoint presentation and organized various competitions in connection with Pongal festival.

பண்களுக்கு ஆளுமைத் திறன் அவசியம்
 திருச்சி, 22 : பெண்களுக்கு ஆளுமைத் திறன் அவசியம் என ராமசாமி கல்வாசலி கல்வி மையம் குறிப்பிட்டுள்ளது. மாணவர்கள் கற்றுக் கொள்ளும் மனப்பான்மை மாற்றம். மாணவர்கள் கற்றுக் கொள்ளும் மனப்பான்மை மாற்றம்.

Food safety
 Chemical preservatives in food can be poison over the long term. People should carefully look at ingredients before consumption. Many people follow a strict diet regimen but this can also have a negative effect.

Improper diet and altered food habits are the major reason for people being diagnosed with obesity and diabetes-related issues at a young age
 N Chellam, associate professor and nutritionist, Seeras Diet Clinic
