## Code of Ethics to check malpractices and Plagiarism in Research

Seethalakshmi Ramaswami College has a long history of initiating innovative and socially- relevant research. The Management of the institution encourages and motivates research at all levels- faculty, research scholars and students. In order to enhance the quality of research and to avoid malpractice, the institution has established a research policy and has doctined its code of ethics to check plagiarism.

- The institution creates awareness among research scholars, mentors and faculty involved in active research on plagiarism and its consequences.
- The research papers, project works, dissertations and thesis of the research conducted in the institution would be scrutinized by the Research Committee.
- Attachment of Plagiarism certificate is mandatory with the dissertations and thesis of the research (Affiliating University- Bharathidasan University  
<http://www.bdu.ac.in/research/code-of-ethics.php>)
- The post graduate and research scholars are required to submit a signed statement that they are aware of the plagiarism policy of the college and no part of their work is copied in any form and that the entire study is their original work
- The institution provides free access to plagiarism detector software to detect the similar textual content already published in various information sources.
- Urkund software is available in the college library for generating plagiarism report of any research.
- Seethalakshmi Ramaswami College resolves to adopt the UGC policy which is in operation from time to time
