## ABOUT THE COLLEGE

Seethalakshmi Ramaswami College (SRC) is an arts and science college for women situated in Tiruchirappalli, Tamil Nadu. It was established in the year 1951 by Padmabhushan Sri N. Ramaswami Ayyar. It is an autonomous college affiliated to Bharathidasan University, Tiruchirappalli. It has been awarded an A+ grade in its 4<sup>th</sup> cycle of accreditation by NAAC. SRC was the first women's college in Tamil Nadu to offer M.Sc. in Chemistry and Physics. It was among the 10 colleges in India selected for Pathway to Higher Education sponsored by the prestigious Ford Foundation, USA. The College offers 25 undergraduate, 9 postgraduate and 8 research programmes. It continuously strives to improve its teaching standards by incorporating the latest technology and strategies to provide the best possible learning environment for students. Skilling programmes such as Community College and B.Voc. under the auspices of NSDC have empowered the lives of countless students through employment and entrepreneurship. The College has built up a decades-strong research base facilitated by grants from leading funding agencies such as UGC, DST, DBT, ICSSR, TAFCOR and TNSCST. The faculty regularly organize, participate and publish in various national and international conferences, seminars and peer-reviewed journals and hold several patents. SRC-QUEST, a unique peer-reviewed journal published annually by the College, has helped raise the research standards. Over the years, the College has earned innumerable awards and accolades and is held in high esteem by its peers and the society. SRC aims to create passionate and responsible citizens, as exemplified by Smt. Nirmala Sitharaman, an alumna of the department of Economics, who serves as Hon. Minister of Finance & Corporate Affairs, Government of India.

## ABOUT THE IQAC

The Internal Quality Assurance Cell (IQAC) establishes benchmarks for quality initiatives of the College such as designing the LOCF-integrated curriculum framework, promoting quality research, enhancing outreach activities, upholding holistic development and welfare of its stakeholders and strengthening academic engagements. IQAC has played a pivotal role in constituting 54 common as well as domain-specific clubs that motivate students to participate in a variety of co-curricular and extra-curricular activities. To foster an innovative ecosystem, IQAC initiated the establishment of the Institution Innovation Council in the year 2024. Further, MoUs signed with international organisations such as YARD Foundation, USA for online science lecture series and Bharat Gyan, Chennai for online credit courses through Hindu University of America, USA provide international exposure to students. The profound impact of IQAC on the College is evident through the 154 conferences and workshops and 4 International FDP's organized recently. IQAC also facilitates the award of seed money to faculty who engage in and publish their research. Besides, IQAC has also facilitated in identifying the women achievers from different fields of the society and are honoured with outstanding awards for their societal contributions. IQAC also plays a key role in motivating the faculty and students to engage in more than 800 community-oriented activities. IQAC is functioning as a nodal committee for ensuring and enhancing the overall quality in every academic, research and extension activity.

## ABOUT THE SEMINAR

The seminar aspires to provide an intellectually rich platform for re-envisioning institutional excellence through a multidimensional exploration of governance, quality assurance and infrastructural advancement in higher education. Anchored with the principles of visionary leadership and strategic planning, the programme foregrounds the need to fortify both academic and administrative governance while cultivating a culture of sustained quality enhancement. By examining contemporary benchmarks in teaching-learning processes, institutional governance and quality sustenance, the seminar seeks to illuminate transformative pathways for academic growth. Further, it highlights the pivotal role of innovation, entrepreneurship and incubation ecosystems in shaping progressive educational environments. Emphasis is placed on strengthening environmental and green infrastructure, enriching library and knowledge resources, and expanding digital capabilities to support dynamic and future-ready learning. The discussions will also encompass advancements in academic infrastructure, state-of-the-art laboratory and research facilities, and the strategic planning and utilisation of physical resources. Through an integrated focus on institutional quality assurance systems, the seminar aims to equip participants with a sophisticated understanding of best practices essential for fostering globally competitive, research-driven and sustainably developed institutions.

### Key Focus Areas

- Leadership in Academic and Administrative Governance
- Institutional Vision, Mission and Strategic Planning
- Quality Assurance Through Teaching-Learning
- Benchmarks in Institutional Governance
- Quality Sustenance Initiatives
- Promotion of Innovation, Entrepreneurship and Incubation
- Eco-green Initiatives
- Library & Knowledge Resources
- Digital Resources
- Benchmarks for Research Infrastructure
- Infrastructure Planning & Utilisation
- Institutional Quality Assurance Systems
- Any other related parameters are also welcome for the Technical Presentation.

e-Certificates will be provided to all the registered participants & certificate of merit to the best presenters
