ABOUT THE INSTITUTION

Seethalakshmi Ramaswami College, an autonomous institution, affiliated to Bharathidasan University, Tiruchirappalli, accredited by NAAC with A+ grade (4th cycle) is a renowned women's institution in Tamil Nadu. The institution was established in 1951 and became autonomous from 1987. The College has many renowned alumnae. The College offers 24 UG, 17 PG, 7 M.Phil, and 8 Research Programmes. The college has been awarded research funds from DBT under Star College Scheme to strengthen the Undergraduate Life Science Programmes (Botany and Zoology) and DST-FIST College level category-I and department-level. Departments organize various National and International seminars/workshops and conferences regularly. Faculty members have attended and presented papers in international academic forums and they have published research articles in peer reviewed Journals. Besides, patents galore of SRC - granted – 3, published - 6, and filed - 1. Faculty have received many meritorious awards like Lifetime Achiever, Acharya, Iyatramizh Chemmani, Best Paper, and Young Scientist. A well-established general library provides facility to update knowledge for students & faculty. The college is aspiring to scale greater heights as an institution for higher education, serving with the motto "Nothing Equals Wisdom".

ABOUT THE DEPARTMENT

The department of Zoology was established in the year 1960 at the undergraduate level and was elevated to research level in 2013. The department is reputed for academic excellence and innovations. Department is equipped with well- created facilities such as a museum, sericulture unit mulberry garden, and integrated solid waste management unit for an effective teaching-learning process. Curriculum is revised regularly to suit the requirements of higher studies, skill enhancement, and employability. The UGC has sanctioned grants under major and minor projects to the faculty for research. The Department of Biotechnology (DBT) has sanctioned Star College Scheme for strengthening Life Sciences at the Undergraduate level. Alumnae of our department have made their mark in various fields around the globe. National and International seminars, conferences, and Science Academies' lecture workshops and hands-on training in various fields of Biological Sciences have been successfully organized with the financial support. Besides, the department is actively engaged in organizing collaborative activities under the signed MoU with reputed organizations. The Department has been granted to offer Community College in the trade - Sericulture by the UGC during the period 2015 to 2021.

ABOUT SCIENCE DAY

National Science Day is being celebrated in our country on February 28 every year in commemoration of Sir C. V. Raman's discovery of the Raman Effect, for which he

was awarded the Nobel Prize in 1930. The programme was initiated by Department of Science and Technology to trigger science popularization activities throughout the country and to disseminate scientific education about the current issues of science and technology amongst shows, open houses and debate etc. The various activities such as lectures, quiz, radio, television shows, open houses and debate etc. are organized around a central theme during the celebration of National Science Day. The day is celebrated to mark the importance of contributions made by scientists towards the development of our Nation and the world as a whole. It is used to create awareness about the role of Science in Society. The theme for National Science Day Poster Making Competition 2023 is **Science and Technology for Global Well Being**

Objective: The objective behind organising the poster making competition is to bring out the creativity of students and to gauge their knowledge and awareness of various trends in Science and Technology. The aim of the Poster Making Competition is not just to judge the students based on their creative aspects but also to trigger thought process among the students towards recent trends in the field of Science and Technology.

Rules for Poster Making Competition

- Each Participant can post only one Poster.
- The poster must be made on the A3 size (11.7 * 16.5 inches) sheet with margins (0.5 inches) drawn with black pen/marker.
