About the College

Seethalakshmi Ramaswami College, an autonomous institution, affiliated to Bharathidasan University, Tiruchirappalli, accredited by NAAC with A+ grade (4th cycle) is a renowned women's institution in Tamil Nadu. The institution established in 1951, became autonomous from 1987, has many renowned alumnae offering 24 UG, 17 PG and 8 Research Programmes. The college has been awarded research funds from DBT under Star College Scheme to strengthen the Undergraduate Life Science Programmes (Botany and Zoology) and DST-FIST College level category I and department-level. Departments organize various National and International seminars/workshops and conferences regularly. Faculty members have attended and presented papers at international academic forums and have published research articles in peer-reviewed journals. Additionally, Seethalakshmi Ramaswami College has been granted 3 patents and has published 8 patents. Faculty have also received many meritorious awards like Best Principal, Lifetime Achiever, Acharya, Iyatramizh Chemmani and Young Scientist awards. A well-established general library provides facility to update knowledge for students & faculty. The college is aspiring to scale greater heights as an institution for higher education, serving with the motto "Nothing equals Wisdom".

About the IQAC

Internal Quality Assurance Cell of Seethalakshmi Ramaswami College is a dynamic body always striving towards the quality initiatives that serve as the benchmarks of assessment. IQAC always works in line with the vision and mission of the institution in imparting higher standards of learning outcomes. It advocates the provision of a learner-centric environment to the stakeholders by ensuring conducive environment integrating conventional and modern teaching methodologies resulting in a blended learning atmosphere. The primary aim of IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution. It promotes measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. The FDP is a measure of the IQAC that tries to meet the requirements of the faculty working in terms with the dire needs of the students of the millennium year. IQAC synchronises the demands of the learner and the teacher taking the institution higher and higher on par with international standards.

About the Centre for Ethics and Human Values

Among the several initiatives of the institution that ensure the realization of its vision, mission and core values, a drive to strengthen the commitment to ethics and values among its stakeholders was made in the year 2006. This resulted in the establishment of the Centre for Ethics and Human Values in the college on 08.02.2006. The centre functions to create awareness and deep understanding of ethics and human values that culminates in improving the quality of life of all its stakeholders. Several activities like seminars, workshops, and lectures on ethics, values and morals are organised.

Apart from these, the centre promotes IKS initiatives effected through collaborations and MoU with reputed institutions, that facilitate the offering of

1. International online credit courses with sponsored scholarship to students and faculty.
2. IKS student internship projects.

About the FDP

The proposed FDP on IKS is a specialized programme designed to educate and train faculty members, researchers and educators on the rich and diverse intellectual heritage of India. The programme focuses on various traditional knowledge systems of India, which include Philosophy, Mathematics, Medicine, Architecture, Language, Science, Arts, Culture and Spiritual practices that have been passed down through generations.

The aim of this FDP is to support educators and academic professionals integrate aspects of Indian Traditional Knowledge with contemporary teaching and research frameworks to address Sustainable Developmental Goals (SDG). These programmes are part of a broader initiative to preserve, promote and revitalize Indigenous Knowledge in a modern academic context.

Key Features of the FDP:

1. Facilitating comprehensive understanding of IKS.
2. Encouraging research in IKS.
3. Explore IKS to integrate with modern education.
4. Nurturing interdisciplinary approach.
5. Promoting indigenous languages and literature.
6. Shedding light on cultural sensitivity and inclusivity.
7. Establishing connect with indigenous knowledge holders.
8. Probing into global relevance and modern application.
